## **GDPR Risk Assessment**

Date: 9 May 2018

## **Wetheral Parish Council:**

| Area of risk         | Risk Identified  | Risk<br>Level<br>H/M/L | Management of Risk  | Action taken/completed   |
|----------------------|--|------------------------|---|--|
| All personal<br>data | Personal data falls into hands of a third party                                | Н                      | Identify what personal data our council holds. Examples include the Electoral Roll, Job applications, tenancy agreements), why it holds it and for how long, who it shares with (see separate Assessment of Personal Data held by councils) | Data audit undertaken and ongoing work remains active on it.   |
|                      |  | Н                      | Identify how you store personal data. Examples include paper files, databases, electronic files, laptops and portable devices such as memory sticks or portable hard drives.  | Sort through filing cabinets and destroy confidential waste no longer needed. Remove emails older than 6 months/1 year if no longer required.  |
|                      | Publishing of personal data in the minutes and other council documents         | L                      | Avoid including any personal information in the minutes or other council documents which are in the public domain. Instead of naming a person, say 'a resident/member of the public unless necessary.                                       | No details written in current format. Historical minutes do display occasionally.  |
| Sharing of<br>data   | Personal data falls into hands of a third party                                | L                      | Does our council share personal data with any other organisations, for example other local authorities? If yes, you may need to set up a written agreement with the organisation to ensure that they protect the data once passed to them   | Only share with City and County Councils and will request consent forms going forward. Confirm both authorities have procedures in place.      |
| Hard copy<br>data    | Hard copy data falls into hands of a third party                               | L                      | Decide how much of the personal data held is necessary. Destroy personal data which is no longer needed in line with the Retention of Documents policy  | Sort through filing cabinets and destroy confidential waste no longer needed.  |
|                      |  | L                      | Ensure that sensitive personal data is stored securely in a locked room or cabinet when not in use  | Council office is not shared and can be visited by members of the public. The office locked when the Clerk absent. Filing cabinets are locked. |
| Electronic<br>data   | Theft or loss of a laptop, memory stick or hard drive containing personal data | M                      | Ensure that all devices are password protected  | Ensure passwords are set and adequate.   |

|                                 | 1   |    |  | T  |
|---------------------------------|---|----|--|--|
|                                 |   | M  | Make all councillors aware of the risk of theft or loss of devices and the need to take sensible measures to protect them from loss or theft   | Obtain signed confirmation of<br>"checklist" from all members  |
|                                 |   |    | Carry out regular back-ups of council data   | Data backed up on Outlook cloud. External portable hard drive for weekly backups as a precaution.  |
|                                 |   | L  | Ensure safe disposal of IT equipment and printers at the end of their life   | Clerk to ensure safe disposal after destroying the hard drive.   |
|                                 |   | L  | Ensure all new IT equipment has all security measures installed before use   | Use reputable supplier   |
| Email security                  | Unauthorised access to council emails                                       | L, | Ensure that email accounts are password protected and that the passwords are not shared or displayed publically  | Safe passwords currently used and only known by Clerk (with signed copy at Chairman's residence) and copy in a sealed envelope in the office safe. |
